Edglink Clipper 31st is a granddaughter of Browndale Star, one of the two famous bulls in the Dorsey Jones herd that produced the "perfect nick." This cow has been a consistent producer of good calves during the several years she has been in the Elcona herd. All have been red. Her first, a bull calf, was sold for \$450. in November, 1942, to head the Tribune Farms herd.

She will sell with a red bull calf at foot, dropped May 6, 1946, by Oakfield Aristocrat, the young grandson of Collynie Royal Barrage that has been siring some exceptionally fine calves for Elcona. She is rebred to the same bull.

Tippican Roan Lady 3d. This young cow is by the son of Sni-A-Bar Royal Baron which Mrs. McAllister bought in the Shore Acres-Elcona Sale in November, 1942, and which was used successfully in the McAllister herd for several years. She has a red heifer calf at foot, born June 5, 1946, by Marellbar Hostage, the \$1,500 son of Klaymor Footprint, famous Marellbar herdsire.

She is rebred to Edellyn Royal Leader 22D, the \$6,500 top of the 1945 Wilson Sale, which now heads the Elcona herd. This young bull is by the All-American Favorite, Edellyn Royal Leader, and out of a daughter of Calrossie Mercury, head of the New Dynasty. He thus combines the most potent blood lines of the breed. Fourteen heifers bred to him sold in the sale at Elcona last March for an average of \$1,027.

To All Lovers of Shorthorns

You have just looked through the Catalog of The Northern Indiana Shorthorn Breeders Association. We have featured in the catalog pictures of the great sires in use in Indiana. Pictures of grandsires of animals in this sale. Where can you go and find such an array of sires? Where can you find cattle with greater bulls as ancestors? We invite you, now, to come and take advantage of the best blood in the United States and Canada.

If you know a club boy bring him along. Fifteen steers sired by these great bulls will sell at ten o'clock in the morning. Our cattlemen of the future are the Club Boys of today. Sponsor some good boy in your community and help us in our effort to put good Shorthorn steers in their hands.
